

Roces Speedracer Long Track Skates

Roces Speedracers (*photo left*) are warm and comfortable long-blade speedskates for outdoor recreation and racing. Can also be used on indoor rinks for low-speed recreation. Plastic boot shell has a removable padded thermal-insulation liner, plus a removable footbed. Traditional laces plus micro-adjustable top buckle for extra ankle support. Professional race blade in carbon steel with a curved tip to handle rough outdoor ice. Skate a few laps around the pond, or break away on a marathon. Either way, your feet will appreciate the warmth, comfort and support. Made in Italy. \$169. European sizes 36-49 (US men's 3-14). Domestic shipping \$15. Alaska & Canada \$25. Available used in limited sizes for \$129.

Zandstra Long & Short Track Skates

Zandstras are warm, comfortable entry-level speedskates for indoor and outdoor recreation and racing. Made in Holland. High-top plastic boot shell for superior ankle support. Inside, a removable padded liner and footbed.

Short Track (photo below): High-Carbon Spring Steel blade for indoor use on smooth ice. Can also be used outdoors if the ice is free of bumps and cracks. Rockwell 58 blade hardness. 10 meter radius. European sizes 29-46 (US kids' 12 through men's 13). \$169. Domestic shipping \$15. Alaska & Canada \$25. Used skates \$129, limited sizes.

Skate Guards & Sharpening Kit

Keep your blades sharp by protecting them with Zandstra skate guards. Standard (\$10) and Elite (\$15) guards come in Silver Gray (*photo lower left*) or Black.

If your blades get dull, sharpen them yourself with the 3-piece Zandstra Sharpening Kit (*photos below*). Kit includes an extruded aluminum jig that fits all models of speedskates or Nordic Skates; plus a 10"x2"x1" double-sided (coarse-fine) aluminum-oxide stone, and a 3"x1"x 1/4" burr stone. Sharpening Kit Price \$109. Domestic shipping \$15. Alaska & Canada \$25.
